

THE GENDERBREAD PERSON

This is a friendly infographic that visually represents four components of human identity. The terms associated with each category are ever evolving. Here are just a few:

ASSIGNED SEX

The biological classification of a person as female, male or intersex. It is usually assigned at birth based on a visual assessment of external anatomy.

GENDER EXPRESSION

The way gender is presented and communicated to the world through clothing, speech, body language, hairstyle, voice and/or the emphasis or de-emphasis of body characteristics and behaviours.

UMBRELLA TERMS

Many terms related to LGBTQI2S identities fall into more than one category.

GENDER IDENTITY

A person's internal and individual experience of gender. It is not necessarily visible to others and it may or may not align with what society expects based on assigned sex.

ATTRACTION

Often referred to as a sexual orientation, attraction describes a person's potential for emotional, spiritual, intellectual, intimate, romantic and/or sexual interest in other people and may form the basis for aspects of one's identity and/or behaviour.
